k. All expenses incurred in carrying out the provisions of this act shall be payable solely from revenues or funds provided or to be provided under the provisions of this act and nothing in this act shall be construed to authorize the Casino Reinvestment Development Authority to incur any indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.

5:12-162.1 Issuance of bond, notes, other obligations

a. In addition to the authorization contained in any other statutory provisions relating to the issuance or sale of bonds, notes or other obligations by the Casino Reinvestment Development Authority, the authority may, upon written approval from the State Treasurer, from time to time issue bonds, notes or other obligations which are to be payable in all or part from any present or future funds, moneys, income or revenues of the authority from any source whatsoever. At least 14 days before the members of the authority approve the issuance or sale of bonds, notes or other obligations, the authority shall submit to the President of the Senate and the Speaker of the General Assembly a proposed plan of finance for such sale or issuance. The authority is authorized to issue its bonds, notes or other obligations in such principal amounts as shall be necessary to provide sufficient funds to finance eligible projects of the authority, and to pay, fund, or refund any bonds, notes or other obligations issued by it, whether the bonds, notes or other obligations to be funded or refunded have or have not become due or to pay for the administrative costs of the authority.

b. The bonds or notes or other obligations may be additionally secured by a pledge of any grant or contribution from the federal government or any State or any agency or public subdivision thereof or any person or a pledge of any other funds, moneys, income or revenues of the authority from any source whatsoever. The authority may also enter into bank loan agreements, lines of credit or bond insurance, bond purchase agreements and other security agreements and obtain for or on its behalf letters of credit in each case for the purpose of securing its bonds, notes or other obligations or to provide direct payment of any costs which the authority is authorized to pay by this act and to secure repayment of any borrowings under the loan agreement, line of credit, letter of credit, bond insurance or other security agreement by its bonds, notes or other obligations or the proceeds thereof or by any or all of the moneys, income or revenues of the authority pledged to the payment of the bonds or by any appropriation, grant or reimbursement to be received by the authority and other moneys or funds as the authority shall determine.

c. Any provision of any law to the contrary notwithstanding, any bond or note issued pursuant to this act shall be fully negotiable within the meaning and for all purposes of the negotiable instruments law of the State, and each holder or owner of a bond or note, or of any coupon appurtenant thereto, by accepting the bond, note or coupon shall be conclusively deemed to have agreed that the bond, note or coupon is and shall be fully negotiable within the meaning and for all purposes of the negotiable instruments law.

d. Bonds or notes or other obligations of the authority shall be authorized by resolution of the authority and may be issued in one or more series and shall bear the date or dates, mature at the time or times not exceeding 50 years from the date thereof, bear interest at a rate or rates, as shall be determined by the authority, shall be in the denomination or denominations, be in the form, either bearer or registered, carry the conversion or registration privileges, have the rank or priority, be executed in the manner, be payable from the sources in the medium of payment at the place or places

within or without the State, and be subject to the terms of redemption, with or without premium, as the resolution or resolutions may provide.

e. Bonds or notes of the authority may be sold at public or private sale at the price or prices as the authority shall determine.

f. Any resolution authorizing the issuance of bonds or refunding bonds pursuant to this section may also provide for the authority to enter into any revolving credit agreement, agreement establishing a line of credit or letter of credit, reimbursement agreement, interest rate exchange agreement, currency exchange agreement, interest rate floor or cap, options, puts or calls to hedge payment, currency, rate, spread or similar exposure or similar agreements, float agreements, forward agreements, insurance contracts, surety bonds, commitments to purchase or sell bonds, purchase or sale agreements, or commitments or other contracts or agreements and other security agreements approved by the authority in connection with the issuance of the bonds or refunding bonds pursuant to this section. The authority's payment obligations under any such agreements may be secured by and payable from any or all of the moneys, income or revenues of the authority pledged to the payment of the bonds or by any appropriation, grant or reimbursement to be received by the authority and other moneys or funds as the authority shall determine.

g. The authority is authorized to engage the services of financial advisors and experts, placement agents, underwriters, appraisers, and other advisors, consultants and agents as may be necessary to effectuate the financing of eligible projects of the authority.

h. Bonds and refunding bonds issued by the authority pursuant to this section shall be special and limited obligations of the authority payable from, and secured by, the funds, moneys, income or revenues of the authority so specified in accordance with this section. Neither the members of the authority nor any other person executing the bonds or refunding bonds shall be personally liable with respect to payment of principal, interest or redemption premium on the bonds or refunding bonds. Bonds or refunding bonds issued

pursuant to this section shall not be a debt or liability of the State or any political subdivision thereof, other than the authority, or any agency or instrumentality thereof, except as otherwise provided by this subsection, either legal, moral or otherwise, and nothing contained in this act shall be construed to authorize the authority to incur any indebtedness on behalf of or in any way to obligate the State or any political subdivision thereof, and all bonds and refunding bonds issued by the authority shall contain a statement to that effect on their face.

i. The State of New Jersey hereby covenants with the purchasers, holders and owners, from time to time, of any bonds, notes or other obligations secured in all or part from any funds, moneys, income or revenues of the authority that it shall not repeal or reduce any fees, charges or other sources of revenue securing such bonds while bonds entitled to benefits from such fees, charges or other sources of revenue so imposed are outstanding, and shall not modify or amend the provisions of any law, so as to create any lien or charge on, or any pledge, assignment, diversion, withholding payment or otherwise of or deduction from the funds, moneys, income or revenues of the authority securing such bonds which is prior in time or superior in right to any payments required to be made pursuant to any bond covenants entered into with the purchasers, holders and owners of the bonds so secured.

j. In any resolution of the authority authorizing or relating to the issuance of bonds or notes or other obligations pursuant this act, the authority, in order to secure the payment of the bonds or notes or other obligations and in addition to its other powers, shall have power by provisions therein which shall constitute covenants by the authority and contracts with the holders of the bonds or notes or other obligations:

(4) To covenant as to any bonds and notes to be issued and the limitations thereon and the terms and conditions thereof and as to the custody, application, investment and disposition of the proceeds thereof.

(5) To covenant as to the issuance of additional bonds or notes or other obligations or as to limitations on the issuance of additional bonds or notes and on the incurring of other debts by the authority.

(6) To covenant as to the payment of the principal of or interest on the bonds or notes or any other obligations, as to the sources and methods of that payment, as to the rank or priority of any bonds, notes or other obligations with respect to any lien or security or as to the acceleration of the maturity of any bonds, notes or obligations.

(7) To provide for the replacement of lost, stolen, destroyed or mutilated bonds or notes.

(8) To covenant against extending the time for the payment of bonds or notes or interest thereon.

(9) To covenant as to the redemption of bonds or notes or other obligations and privileges of exchange thereof for other bonds or notes or other obligations of the authority.

(10) To covenant to create or authorize the creation of special funds or moneys to be held in pledge or otherwise for construction, operating expenses, payment or redemption of bonds or notes or other obligations, reserves or other purposes and as to the use and disposition of the moneys held in the funds.

(11) To establish the procedure, if any, by which the terms of any contract or covenant with or for the benefit of the holders of bonds or notes or other obligations may be amended or abrogated, the amount of bonds or notes the holders of which must consent thereto, and the manner in which the consent may be given.

(12) To covenant as to the construction, operation or maintenance of real property and personal property, the replacement thereof, the insurance to be carried thereon, and the use and disposition of insurance moneys.

(13) To provide for the release of property, leases or other agreements, or revenues and receipts from any pledge or mortgage and to reserve rights and powers in, or the right to dispose of, property which is subject to a pledge or mortgage.

(14) To mortgage all or any part of its property, real or personal, then owned or thereafter to be acquired.

(15) To provide for the rights and liabilities, powers and duties arising upon the breach of any covenant, condition or obligation and to prescribe the events of default and the terms and conditions upon which any or all of the bonds, notes or other obligations of the authority shall become or may be declared due and payable before maturity and the terms and conditions upon which any declaration and its consequences may be waived.

(16) To vest in a trustee or trustees within or without the State such property, rights, powers and duties in trust as the authority may determine and to limit the rights, powers and duties of the trustee.

(17) To pay the costs or expenses incident to the enforcement of the bonds or notes or other obligations or of the provisions of the resolution or of any covenant or agreement of the authority with the holders of its bonds or notes.

(18) To limit the rights of the holder of any bonds or notes to enforce any pledge or covenant securing bonds or notes.

(19) To make covenants other than and in addition to the

covenants herein expressly authorized, of like or different character, and to make the covenants to do or refrain from doing any acts and things as may be necessary, or convenient and desirable, in order to better secure bonds or notes or other obligations or which, in the absolute discretion of the authority, will tend to make bonds or notes or other obligations more marketable, notwithstanding that the covenants, acts or things may not be enumerated herein.

L.1984, c. 218, § 25, eff. Dec. 19, 1984.

5:12-173.1 Findings, declarations relative to redevelopment in Atlantic City

The Legislature finds that the single most significant factor contributing to the cost of constructing, maintaining, operating and supporting highways, roads and infrastructure, in Atlantic City, and particularly in the "corridor"

region of the city, is the heavy volume of motor vehicular traffic occasioned by the attraction of casino gaming in Atlantic City. This traffic is encouraged by the provision of free parking by casino operations, by the relative underdevelopment of public transportation services, and by the shortage of hotel accommodations in the city. While the Legislature has taken various measures, most notably the "South Jersey Transportation Authority Act," P.L.1991, c.252 (C.27:25A-1 et al.), to provide and improve public transportation services in the South Jersey region as an alternative to the use of motor vehicles, the heavy capital costs associated with reconstruction of the corridor region's infrastructure require a continuous source of public funding. The Legislature declares, therefore, that it is in the public interest to require a standard minimum charge for casino parking within Atlantic City, and to impose fees on amounts received from those charges, with the proceeds of those fees to be used by the Casino Reinvestment Development Authority for projects which are related to improving the highways, roads, infrastructure, traffic regulation and public safety of the city, or which are otherwise necessary or useful to the economic development and redevelopment of the city in this regard. It is also in the public interest to establish a special temporary fund for the use of existing moneys of the authority for the provision of financial assistance to casino licensees to construct, reconstruct or rehabilitate hotel rooms in Atlantic City.

The Legislature declares that it is the public purpose of this amendatory act, P.L.1996, c.118 (C. 5:12-173.3a et al.), that financial assistance to casino licensees to construct, reconstruct or rehabilitate hotel rooms in Atlantic City shall be determined after excluding costs reasonably related to space used for the conduct of casino gaming. It was, and continues to be, the public purpose of P.L.1993, c. 159 (C. 5:12-173.1 et seq.) that financial assistance may be provided to a project which includes, incorporates, facilitates or supports space used for the conduct of casino gaming in a casino hotel facility, but only for costs reasonably related to hotel rooms and their appurtenant facilities in the

project.

The Legislature declares that it is the public purpose of this amendatory and supplementary act, P.L.2003, c.116 (C.5:12-148.1 et al.), that the proceeds of the increase in the fee imposed on the minimum charge for casino hotel parking within Atlantic City be deposited into the Casino Revenue Fund in State fiscal years 2004 through 2006, in order to assist the Casino Revenue Fund, and thereafter for use for the purposes specified.

5:12-173.2 Minimum charge of \$3.00 imposed for use of casino parking facility

On and after July 1, 1993, there is established a minimum amount which shall be charged in the City of Atlantic City for the use of a parking space for the purpose of parking, garaging or storing a motor vehicle in a parking facility or property owned or leased by a casino hotel licensed under the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.), or by any person on behalf of a casino hotel. The charge shall not be less than \$3.00 per day for each motor vehicle parked, garaged or stored in the parking space. The charge shall be made for all motor vehicles so parked, garaged or stored, except for motor vehicles owned or leased by the owner or operator of the parking facility or property, or by an employee of the casino hotel which owns or leases the parking facility or property. A parking space is considered to be that of a licensed casino hotel if the facility or property in which the space is located is owned, wholly or in part, or leased by the casino hotel, and is utilized in whole or in part in conjunction with the operations of the casino hotel. A parking space shall be considered to be on behalf of a casino hotel if spaces within the facility or property are kept under lease or contract for the use of visitors or

guests of the casino hotel. No motor vehicle shall be required, upon proof of payment of the \$3.00 charge, to pay the charge again in the same calendar day, either for use of a parking space in the same parking facility or property, or for use of a parking space in another casino hotel parking facility or property.

Amended by:

L.2003, c. 116, § 9, eff. July 1, 2003.

5:12-173.3 Minimum fee of \$3.00 imposed for use of casino parking space

On and after July 1, 1993, there is imposed in the City of Atlantic City a fee upon the use of spaces for the parking, garaging or storing of motor vehicles in a parking facility or property owned or leased by a casino hotel licensed under the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.), or by any person on behalf of a casino hotel. The fee so imposed is \$3.00 of the amount received by the casino hotel or person from each charge made for the use of the parking space; provided, however, that if the casino hotel or person shall fail to collect, or shall rebate, all or a portion of the charge required herein to be imposed for the use of any parking space, the full amount of the fee shall be payable by the casino hotel or person.

Amended by:

L.2003, c. 116, § 10, eff. July 1, 2003.

5:12-173.3a No reduction in casino parking fees while bonds outstanding

The State of New Jersey hereby covenants with the purchasers, holders and owners, from time to time, of any bonds secured by funds derived from fees imposed for the use of casino parking spaces pursuant to section 3 of P.L.1993, c. 159 (C. 5:12-173.3) that it shall not repeal or reduce the fee so

imposed under that act, while bonds entitled to benefits from the fee so imposed are outstanding, and shall not modify or amend the provisions of that act so as to create any lien or charge on, or any pledge, assignment, diversion, withholding payment or other use of or deduction from the fee so imposed which is prior in time or superior in right to any payments required to be made pursuant to any bond covenants entered into with the purchasers, holders and owners of the bonds so secured.

5:12-173.8 Investment in qualified hotel development projects; eligibility standards; amount and schedule of investments

a. From the moneys made available to the Casino Reinvestment Development Authority pursuant to section 3 of P.L.1984, c.218 (C.5:12-144.1), the authority shall, in such manner as it may reasonably determine, set aside \$100,000,000 for investment on hotel development projects in Atlantic City undertaken by a casino licensee under the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.), operating an approved hotel on the effective date of this amendatory and supplementary act, P.L.1993, c.159 (C.5:12-171.1 et al.), which result in the construction, reconstruction or rehabilitation of at least 200 hotel rooms in the City of Atlantic City. The authority shall, by regulation, adopt standards for determining the extent of construction, reconstruction or rehabilitation of hotel rooms or appurtenant facilities required in order to qualify for authority investment, which standards shall require at least that the hotel rooms be operated as part of a licensed casino facility or be first class hotel rooms located and operated in a manner consistent with an authority approved project. The authority shall require as a condition for authority investment that the hotel rooms be subject to an agreement with the authority that requires the rooms to be reserved, at certain times and under certain conditions agreeable to the authority, for convention business in connection with an authority approved project. A hotel development project may qualify for authority investment notwithstanding that it includes, incorporates, facilitates or supports an expansion of space used for the conduct of casino gaming in a casino hotel facility operated by a casino licensee. Any casino licensee which undertook a hotel development project that was approved by the authority prior to the effective date of this amendatory act, P.L.1996, c. 118 (C. 5:12-173.3a et al.), for an investment out of moneys set aside pursuant to this subsection a., but which investment has not been received by the casino licensee as a result of the inclusion in the project of space for use for the

conduct of casino gaming, shall be entitled pursuant to this subsection a. to receive the investment previously approved by the authority. The provisions of section 30 of the P.L.1984, c.218 (C.5:12-178) shall not apply to investments made out of the moneys so set aside.

The authority shall determine the amount each casino licensee shall be eligible to receive out of the moneys so set aside. The form, amount and terms of the investment made by the authority shall be determined by the authority, but the maximum amount of the investment shall not exceed the lesser of the amount which the casino licensee applying therefor is eligible to receive, or the amount equal to 27% of the costs reasonably related to constructing, reconstructing or rehabilitating the hotel rooms or appurtenant facilities in the project, excluding costs reasonably related to space used for the conduct of casino gaming.

For the purposes of determining each casino licensee's eligibility for authority investments from the moneys so set aside, the authority may by resolution permit the transfer of obligation to make payment under section 3 of P.L.1984, c.218 (C.5:12-144.1) to any other casino licensee which has received approval for investment in a project to construct, reconstruct or rehabilitate hotel rooms.

In approving a hotel development project, the authority shall establish a schedule for investments to be made by the authority as progressive stages of construction, reconstruction or rehabilitation are accomplished. Any moneys remaining in the special fund thereafter shall be available for investment in otherwise eligible projects of the authority.

b. From the moneys made available to the Casino Reinvestment Development Authority pursuant to section 3 of P.L.1984, c. 218 (C. 5:12-144.1), the authority shall, in such manner as it may reasonably determine, set aside \$75,000,000 for investment on hotel development projects in Atlantic City, which shall be in addition to the moneys set aside pursuant to subsection a. of this section. Any moneys set aside pursuant to that subsection a. which

are not invested by the authority as the result of the failure of a casino licensee to comply with requirements, regulations, conditions or determinations made under that subsection a. shall be available for authority investment pursuant to this subsection b. Authority investments under this subsection b. shall be subject to the requirements, regulations, conditions and determinations of that subsection a., except as follows:

(1) The authority may provide an additional investment amount to a casino licensee which has had a hotel development project approved prior to the effective date of this amendatory act, P.L.1996, c. 118 (C. 5:12-173.3a et al.), but which the authority has approved for an amount out of the moneys set aside pursuant to that subsection a. that is less than the maximum amount of investment for the approved project because sufficient investment funds were not available to fund all projects approved under that subsection a. at the maximum amount of investment. The additional investment may be made only as the result of an application made to the authority on or before April 1, 1996. The additional investment amount shall not be greater than the difference between the maximum amount of investment for the approved project under that subsection a. and the amount which the authority actually approved for the project. The authority may provide an additional investment amount pursuant to paragraph (1) only for those previously approved hotel development projects for which construction, reconstruction or rehabilitation has actually and substantially commenced on or before August 31, 1996.

(2) Thereafter, any casino licensee may be eligible to receive an investment out of moneys set aside pursuant to this subsection b.; provided, that the casino licensee shall apply for approval of a hotel development project by the authority within 90 days following the effective date of this amendatory act. The authority shall require as a condition for authority investment under this paragraph that construction, reconstruction or rehabilitation of the hotel development project actually and substantially commence within 12 months after the date upon which the authority and the casino licensee enter into a

hotel room credit agreement.

5:12-173.9 Short title

Sections 1 through 13 of P.L.2001, c.221 (C.5:12-173.9 et seq.) shall be known and may be referred to as the "Casino Reinvestment Development Authority Urban Revitalization Act."

L.2001, c. 221, § 1, eff. August 24, 2001.

5:12-173.10 Findings, declaration relative to CRDA urban revitalization program

The Legislature finds and declares that:

a. Legalized casino gambling was approved by New Jersey's voters in 1976 as a "unique tool of urban redevelopment" to facilitate the revitalization of Atlantic City and other distressed municipalities throughout the State;

b. The Legislature created the Casino Reinvestment Development Authority (the "CRDA") to oversee the investment of casino gambling revenues for development projects in Atlantic City and other areas throughout the State;

c. During the past 25 years, the development of Atlantic City's multi-billion dollar casino industry and the CRDA's investment of hundreds of millions of dollars in housing, commercial and nonprofit projects have greatly benefited the people of New Jersey and have served as a model for many other states and countries that wished to emulate Atlantic City's successful record of casino development and economic growth;

d. It is altogether fitting and proper on the occasion of the 25th year of legalized casino gaming in Atlantic City to establish a new program to facilitate the next phase of Atlantic City's development into a regional, national and

international "destination resort" and at the same time, to insure that substantial commitments are made to projects to revitalize urban areas and promote continued economic growth throughout the State.

a. There is established the incentive program that shall be administered by the authority. The purpose of the incentive program is to facilitate the development of entertainment-retail districts for the city of Atlantic City and to promote revitalization of other urban areas in the State. The provisions of

section 30 of P.L.1984, c.218 (C.5:12-178) shall not apply to the incentive program established pursuant to this section. b. The authority shall establish an Atlantic City Expansion Fund into which the authority shall deposit the amount directed to be deposited into the fund pursuant to subsection a. of this section. Notwithstanding section 30 of P.L.1984, c.218 (C.5:12-178), the authority shall make moneys on deposit in the fund available, in amounts determined pursuant to subsection c. of this section, to each casino licensee operating a casino hotel facility as of June 30,

2004 for investment in an eligible expansion project approved by the authority. An eligible project approved by August 25, 2006 shall add hotel rooms, retail, dining or non-gaming entertainment venues, or other non-gaming amenities, including parking spaces, in the City of Atlantic City, provided that the moneys received pursuant to this subsection may be used for parking spaces only if the authority determines that the addition of parking spaces is an essential component of a comprehensive development plan. An eligible project approved thereafter shall add hotel rooms in the City of Atlantic City. The authority shall not authorize investment of moneys in the fund for a project that receives or is anticipated to receive funding pursuant to the Casino Reinvestment Development Authority Urban Revitalization Act, P.L.2001, c.221 (C.5:12-173.9 et seq.), or section 8 of P.L.1993, c.159 (C.5:12-173.8), unless the casino licensee demonstrates to the satisfaction of the authority that the funding from the Atlantic City Expansion Fund will result in a significant improvement in or expansion of that project, and the casino licensee invests additional private funds in the project in an amount deemed appropriate by the authority. The authority shall promulgate regulations establishing the criteria governing the approval of eligible projects.

c. The authority shall determine the amount each casino licensee shall be eligible to receive from the Atlantic City Expansion Fund. The form, terms and maximum percentage of the cost of an eligible expansion project to be received by each casino licensee shall be determined by the authority by resolution. In the event that a casino licensee has not submitted by June 30, 2014 an application that, if approved, would exhaust its share of the Atlantic City Expansion Fund, the remainder of such casino licensee's share of the fund shall be transferred to its Atlantic City non-housing obligations pursuant to section 3 of P.L.1984, c.218 (C.5:12-144.1), provided that such transferred share shall not reduce the licensee's investment alternative tax obligation pursuant to subsection f. of section 3 of P.L.1984, c.218 (C.5:12-144.1).

d. The authority may, in its discretion, advance any of the funds in the

Atlantic City Expansion Fund to make a grant to an eligible project located in North Jersey approved by the authority provided that the authority has executed an agreement with casino licensees for the repayment of the advanced amount from the funds devoted to the financing of projects in North Jersey pursuant to the Casino Reinvestment Development Authority Urban Revitalization Act, P.L.2001, c.221 (C.5:12-173.9 et seq.) or from casino licensees' investment alternative tax obligations devoted to the financing of projects in North Jersey pursuant to section 3 of P.L.1984, c.218 (C.5:12-144.1).

e. The principal and interest of such bonds, notes or other obligations shall be repaid exclusively from revenues dedicated to the authority for this purpose pursuant to section 6 of P.L.2003, c.116 (C.5:12-145.8).

(2) The authority shall establish a special fund into which the authority shall deposit the amount directed to be deposited into the fund pursuant to this subsection. The authority shall make half of the moneys on deposit in the fund available for investment in projects located in North Jersey, and half of the moneys on deposit in the fund available for investment in projects located in South Jersey. For the purposes of this paragraph, "South Jersey" means the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem, except that "South Jersey" shall not include the City of Atlantic City; and "North Jersey" means the remaining 12 counties of the State.

5:12-176. Waiver of requirements relating to composition, during first ten years of tax obligation, of investment tax credit; conditions

Upon a showing of good cause by a licensee, the Casino Reinvestment Development Authority may, in its sole discretion, waive the requirements of subsection b. of section 3 of this act that, during the first 10 years of a licensee's obligation to pay the investment alternative tax imposed by subsection a. of section 3 of this act, at least 100% of the investment tax credit against the tax imposed by subsection a. of section 3 be composed of the purchase of bonds of the Casino Reinvestment Development Authority, provided the licensee shall make an equivalent investment in or guarantee of infrastructure requirements, such as public roads, streets, intersections and sewer and water facilities, which are dedicated to the public use and benefit society as a whole. To the extent any such investment in or guarantee of infrastructure requirements exceeds the demand for such requirements created by an approved casino hotel or related facility and thus does not finance infrastructure improvements required to be made by a casino licensee pursuant to subsection e. of section 84 of P.L.1977, c. 110 (C. 5:12-84), the excess investment or guarantee may, in the sole discretion of the Casino Reinvestment Development Authority, be considered an eligible investment or project, if the authority finds that the investment or guarantee serves the most pressing social and economic needs of the residents of the city of Atlantic City and otherwise satisfies the requirements of section 25 of this 1984 amendatory and supplementary act, and if the authority determines that the amount waived does not impair the amount to be set aside pursuant to section 33 of this act and that the waiver will not violate any agreement or covenant or impair any financial obligation of the Casino Reinvestment Development Authority.

For the purposes of applying this section, a donation shall be deemed to be an investment and shall be subject to any provision of this 1984 amendatory and supplementary act which is relevant to an investment. No donation shall qualify for investment tax credit unless it has been approved and determined to be eligible for investment tax credit by the Casino Reinvestment Development Authority prior to the making of the donation and provided that the granting of the waiver to make the donation will not violate any agreement or covenant or impair any financial obligation of the Casino Reinvestment Development Authority.

The Casino Reinvestment Development Authority shall not invest in, issue a guarantee in support of, or approve any investment or project which directly and exclusively benefits, improves, or increases the assessed value of a casino hotel or related facility. Notwithstanding the foregoing, to the extent that an investment in or guarantee of infrastructure requirements, such as public roads, streets, intersections and sewer and water facilities, which are dedicated to the public use and benefit society as a whole, exceeds the demand for such requirements created by an approved casino hotel or related facility and thus does not finance infrastructure improvements required to be made by a casino

licensee pursuant to subsection e. of section 84 of P.L.1977, c. 110 (C. 5:12-84), the excess investment or guarantee may be considered an eligible investment or project, if the authority finds that the investment or guarantee serves the most pressing social and economic needs of the residents of the city of Atlantic City and otherwise satisfies the requirements of section 25 of this 1984 amendatory and supplementary act.

To the extent any such investment in or guarantee of infrastructure requirements exceeds the demand for such requirements created by an approved casino hotel or related facility and thus does not finance infrastructure improvements required to be made by a casino licensee pursuant to subsection e. of section 84 of P.L.1977, c. 110 (C. 5:12-84), the excess investment or guarantee may, in the sole discretion of the Casino Reinvestment Development Authority, be considered an eligible investment or project, if the authority finds that the investment or guarantee serves the most pressing social and economic needs of the residents of the city of Atlantic City and otherwise satisfies the requirements of section 25 of this 1984 amendatory and supplementary act.

c. If a casino licensee obtains a determination of eligibility for an investment or donation pursuant to subsection a. or b. of this section, the investment or donation shall first be used to satisfy the licensee's most recently incurred investment obligation under subsection b. of section 144 of P.L.1977,

Notwithstanding any other law or section of this 1984 amendatory and supplementary act to the contrary, the Casino Reinvestment Development Authority shall not grant any waiver or invest in, guarantee support for or approve any investments or contributions by licensees, as provided for in sections 26, 27, 28, 29, 30 and 31 of this 1984 amendatory and supplementary act, which would reduce, impair or prevent the fulfillment of the priorities contained in subsection f. of section 3 or any priorities established by the Casino Reinvestment Development Authority pursuant to section 25 of this 1984 amendatory and supplementary act.

L.1984, c. 218, § 32, eff. Dec. 19, 1984.

5:12-181 Minority and women's business set-aside

a. Beginning with the proceeds received by the authority for the calendar year 1984 from the sale of bonds and for 24 years there-after, the authority shall set aside \$1,200,000.00 annually for the purpose of investing in obligations of the New Jersey Development Authority for Small Businesses, Minorities and Women's Enterprises established pursuant to P.L.1984, c. (C.) (now pending before the Legislature as Assembly Committee

Substitute for Assembly Bill No. 1828 of 1984).

That amount shall be used by that authority to finance the establishment of minority and women's businesses, as defined pursuant to section 2 of P.L.1984, c. (C.) (now pending before the Legislature as Assembly Committee Substitute for Assembly Bill No. 1828 of 1984), or the operation or expansion of existing minority or women's businesses, or projects to be constructed by minority and women's businesses; and shall be allocated to those businesses and projects in the following areas and time periods:

Areas	Years 1-3	Years 4-5	Years 6-10	Years 11-15	Years 16-20	Years 21-25
(a) Atlantic City	100%	90%	80%	50%	30%	20%
(b) South Jersey		8%	12%	28%	43%	45%
(c) North Jersey		2%	8%	22%	27%	35%

For the purposes of this paragraph, "South Jersey" means the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem; and "North Jersey" means the remaining 12 counties of the State. No more than 50% of the above amounts shall be made available to women, and no more than 50% of this amount shall be made available to minorities.

b. (1) The authority shall ensure that minority or women's businesses which are in the construction industry or related industries or services, including suppliers of materials and professional construction engineering and design services, shall receive at least 20% of the total expenditures on the total number of eligible projects financed each year by the authority. A business shall be deemed to be a minority or women's business if it meets the definition of that term in section 2 of P.L.1984, c. (C.) (now pending before the Legislature as Assembly Committee Substitute for Assembly Bill No. 1828 of 1984). The authority shall, in providing financing for eligible projects, impose such conditions as necessary to effectuate this 20% requirement.

(2) The primary obligation for carrying out the 20% minority and women's business set-aside rests with the borrowers of the proceeds of bonds of the Casino Reinvestment Development Authority or the licensees, in the case of a direct investment. Nothing contained herein, however, shall relieve the Casino Reinvestment Development Authority from the obligation of enforcing the requirement of the 20% set-aside for minority and women's businesses. The borrower or licensee and those of its contractors which will make subcontracts with or purchase substantial supplies from or seek engineering or design services from other firms must seek out all available minority and women's businesses and make every effort to use as many of them as possible on the project, in order to satisfy the set-aside requirement. A minority or women's business is available if the project is located in the market area of the minority or women's business and the minority or women's business can perform project services or supply project materials or provide engineering and design services at the time they are needed and at a competitive price. The relevant market area depends on the kind of services or supplies which are needed. The authority will require borrowers, licensees and prime contractors to engage minority and women's businesses from as wide a market area as is economically feasible. A minority or women's business is qualified if it can perform the service or supply the materials that are needed. Borrowers, licensees, and prime contractors will be expected to use minority and women's businesses with less experience than available nonminority enterprises and should expect to provide technical assistance to minority and women's businesses, as needed. The authority may waive up to 10% of this 20% set-aside requirement, if the borrower of the proceeds of bonds of the Casino Reinvestment Development Authority or the licensee, in the case of a direct investment, demonstrates at a public hearing of the authority that there are not sufficient, relevant, or qualified minority and women's business enterprises whose market areas include the project location to justify a waiver. The borrower or licensee must detail in its waiver request the efforts the borrower

or licensee and its potential contractors have exerted to locate and enlist minority and women's business enterprises. The request must indicate the specific minority and women's business enterprises which were contacted and the reason each was not used. Such a waiver request should ordinarily be made after the initial bidding or negotiation procedures prove unsuccessful; however, a borrower or licensee whose eligible project is situated in an area where the minority population is very small may apply for a waiver before requesting bids on its project. The Casino Reinvestment Development Authority shall only approve a waiver under exceptional circumstances.

(3) The authority may waive bonding requirements in full or in part in order to facilitate the use of such a business, if the business has been rejected by two surety companies authorized to do business in this State. The authority may require a cash deposit, increase the amount of retention, or limit or eliminate periodic payments. Such a waiver may not be extended more than three times.

L.1984, c. 218, § 33, eff. Dec. 19, 1984.

5:12-182 Eminent domain or condemnation

a. The Legislature finds and declares that the achievement of the beneficial purposes of this 1984 amendatory and supplementary act requires the granting to the Casino Reinvestment Development Authority of the right of condemnation and the exercise by it of the right of eminent domain in the city of Atlantic City because special problems may arise or exist in that city concerning the necessity for the acquisition of the property for projects for the public good under this 1984 amendatory and supplementary act, including inflated land values resulting from speculation and intentional obstruction of a landowner or speculator to the acquisition of needed property in order to exact an unreasonable and prohibitive purchase price.

b. In the event the Casino Reinvestment Development Authority finds it

is necessary to complete a project in the city of Atlantic City, the authority may acquire any real property in the city, whether a fee simple absolute or lesser interest and whether for immediate use, that the authority may find and determine is required for public use, and upon such a determination, the property shall be deemed to be required for a public use until otherwise determined by the authority; and with the exceptions hereinafter specifically noted, the determination shall not be affected by the fact that such property has theretofore been taken for, or is then devoted to, a public use, but the public use in the hands or under the control of the authority shall be deemed superior to the public use in the hands or under the control of any other person, association or corporation.

c. If the Casino Reinvestment Development Authority is unable to agree with the owner or owners thereof upon terms for the acquisition of any such real property in the city for any reason whatsoever, then the authority may acquire, and is hereby authorized to acquire, after consultation with the appropriate agency of the city by way of notification 30 days prior to the filing of condemnation proceedings, such property, whether a fee simple absolute or lesser interest, by condemnation or the exercise of the right of eminent domain pursuant to the provisions of the "Eminent Domain Act of 1971," P.L. 1971, c. 361 (C. 20:3-1 et seq.) and the "Relocation Assistance Act," P.L. 1971, c. 362 (C. 20:4-1 et seq.).

d. The power of the authority to acquire real property by condemnation or the exercise of the power of eminent domain in the city shall be a continuing power and no exercise thereof shall be deemed to exhaust it.

e. The Casino Reinvestment Development Authority and its duly authorized agents and employees may enter upon any land in the State for the purpose of making such surveys, maps or other examinations thereof as it may deem necessary or convenient for its authorized purposes.

f. Notwithstanding anything to the contrary contained in this 1984 amendatory and supplementary act, no property now or hereafter vested in or

held by any county, city, borough, village, township or other municipality shall be taken by the Casino Reinvestment Development Authority without the consent of such municipality, unless expressly authorized so to do by the State. All counties, cities, boroughs, villages, townships, and other municipalities, and all public agencies and commissions of the State, notwithstanding any contrary provision of law, are hereby authorized and empowered to grant and convey to the Casino Reinvestment Development Authority upon its request, but not otherwise, and upon reasonable terms and conditions, any real property which may be necessary or convenient to the effectuation of its authorized purposes, including real property already devoted to public use.

g. The term "real property" as used in this 1984 amendatory and supplementary act includes lands, structures, franchises and interests in land, including lands under water and riparian rights, and any and all things and rights usually included within that term and includes not only fees simple absolute, but also any and all lesser interests such as easements, rights of way, uses, leases, licenses and all other incorporeal hereditaments, and every estate, interest or right, legal or equitable, including terms for years and liens thereon by way of judgments, mortgages or otherwise, and also claims for damage to real estate.

L.1984, c. 218, § 34, eff. Dec. 19, 1984.

5:12-183 Minutes of authority meetings; effective date of actions; veto

A true copy of the minutes of every meeting of the Casino Reinvestment Development Authority shall be forthwith delivered by and under the certification of the secretary thereof to the Governor. No action taken at such meeting by the Casino Reinvestment Development Authority shall have force and effect until the earlier of 10 days, exclusive of Saturdays, Sundays and public holidays, after such copy of the minutes shall have been so delivered, or

the approval thereof by the Governor. If, in the 10-day period, the Governor returns such copy of the minutes with veto of any action taken by the authority or any member thereof at such meeting, such action shall be null and void and of no effect. The Governor may approve all or part of the action taken at such meeting, prior to the expiration of the 10-day period.
